

Adult Rehabilitative Mental Health Services (ARMHS)

ARMHS is a community-based service that helps adults with mental illness manage their symptoms while living in the community.

ARMHS practitioners provide individualized skills training in the following areas:

- ✓ Preventing relapse and hospitalization
- ✓ Communicating with others
- ✓ Managing and maintaining your home
- ✓ Gaining access to community resources
- ✓ Budgeting and shopping
- ✓ Cooking and nutrition
- ✓ Managing and preventing a crisis
- ✓ Coping with mental health symptoms
- ✓ Finding and maintaining employment
